The treasures report was presented and approved with \$549 in the Administrative Account and 250.43 in the Project (Community Service) Account. Invoices for dues have been distributed and dues are being paid. All dues are required by January 15, 2008. Programs for January and February were considered. A new binder will be created for the meeting. The binder will contain the attendance sheets, treat sign-up sheet, activity sign-up and a new calendar for non-attendance. With the small number of members in the club, those not attending a meeting should indicate in advance when they will not be able to attend and if it is a last minute issue to call a member that will be attending or email all members. This act of courtesy will help when we have speakers planned and when treats are expected. Thank you for your cooperation.
