Fordie Ross is happy his wife is going to treat for lunch the rest of the year when they go out!

**Budgeting:** Denis Sapiro took us through the administrative budget. We learned that if it is for a member or the club then it is an administrative expense or income. We will review and approve a budget for the administrative account and the community service project account which is money raised from the community and spent on the community by approval of our board of Directors.

**NEW Management System:** Members of the Club will be getting an email from Denis Sapiro with the information we need to see and work on the new online management system. Members should log on as instructed and create a pass word. Then they should review their own information and make changes and additions. Please bring a copy of any changes to the meeting on Nov. 10. There will be an attachment with the email that details what a member can see and do on the new system. Past President Joseph Connor can use it to file last year's annual report in November. The new monthly report will be completed by Wendy Leathers on the new system in November.

**SUPPORT The FOOD BANK:** Denis Sapiro has a case of Sees Candy Bars for you to sell or purchase. Members took several of the milk chocolate, almonds and milk chocolate and toffee nuggets

and milk chocolate bars at our last meeting. We have another 48 to sell. These monies will support the toy drive for the food bank this holiday season. The bars sell best at \$3 for two bars (\$1.50/bar). Please pick up your share and sell them for the food bank. Our goal is to sell 72 bars!
